

WATKINS & TASKER
VETERINARY GROUP

Your local and caring vets

Because unwanted litters are costly for you and unfair on your pet, and because we really care - we're offering:

Pet neutering at 20% off
(Woof! - that's a saving of up to £44)

Simply pre-purchase your pets neutering operation before 28/02/12 and we'll do the operation at any convenient date in the whole of 2012 (and at the branch to suit you best). This great offer is for all dogs, cats and rabbits, whether male or female.

- Just phone or pop in to Watkins & Tasker at Portishead, Nailsea or Yatton.
- And it gets better - you only pay for half the operation when you book and the second half when it's done - plus you get a **FULL 20% OFF** both your payments.

Complete peace of mind for you, with the utmost care for your pet - Guaranteed

Although neutering is a routine procedure carried out only by our fully qualified vets, for owners it can understandably be a very worrying time. Maybe it's the first time your pet has been away from his/her home and owner, and the first time he/she has had an anaesthetic? And so we understand and cater fully for this.

We're so confident of the quality of our care here, that we are *guaranteeing the safety and quality* of our neutering. No other vet offers this complete written Watkins & Tasker peace of mind guarantee.

Not for your pet? Then please recycle this and help a family member, neighbour or friend do the right thing for their pet. Thank you.

Yatton: 01934 833685 Nailsea: 01275 858628 Portishead: 01275 397449

20% OFF
NEUTERING OPERATIONS IN 2012

This great offer is for all dogs, cats and rabbits, whether male or female.
