

What does the club provide you and your pet?

- ✓ **Top-quality preventative healthcare** including vaccinations and parasite treatments to protect your pet
- ✓ **Peace of mind** - the plans include a Health Check with a vet every six months to allow us to pick up any medical issues early
- ✓ **Relief from financial pressure** by spreading the cost - fees are collected by a hassle-free direct debit system
- ✓ Our **home-delivery option** means your pet's parasite treatments are sent to you directly
- ✓ Our Pet Health Club is **designed to adapt** to support your pet from younger years to twilight years
- ✓ **A wide range of additional benefits** such as discounts on many of our services and in Practice purchases
- ✓ **The Pet Health Club is not pet insurance** but covers the preventative healthcare which most insurance policies do not cover. (We also advise you to take out a pet insurance policy to cover accidents and treatment for illnesses.)
- ✓ **Your plan price is fixed for 12 months** which offers you protection from price increases made by our suppliers
- ✓ **Quick and easy to sign up** with no joining fee.

We know that keeping your pet fit and healthy is one of your top priorities.

We believe that preventative healthcare such as vaccinations and parasite treatments, alongside a trusted reassuring relationship with your vet practice, are the essential foundations with which to achieve this.

We designed our Pet Health Club to provide all your pet's needs, while saving you money and spreading your costs with easy monthly payments.

To find out more about the benefits Pet Health Club membership brings, please read on, or ask a member of staff at your local practice
